LUCKY TRUNKS

BY *Bill Mack*

The elephant is universally considered to be a symbol of strength, prosperity and good luck. In most asian cultures, the elephant is depicted with the trunk raised, symbolizing the "showering of good luck." Bill Mack has captured this theme in his new alto relief depicting two elephants with their trunks up, and titled it appropriately, *Lucky Trunks*.

BONDED BRONZE

Artwork measures approximately 34" H x 42.5" W, Unframed

This relief is available in two independently numbered editions:

1) Bonded Bronze and 2) Bonded Mixed Metal
